Good Morning Mr. Baez,
I have been unable to locate a 911 call with that number for 6/13.
Could it have been another date? Do you have the name of the caller or the address?
Any additional info will help me to locate the 911 call.
Thanks
Sandy

The top call on this picture of the cell phone call records is the call in question. The name on the phone is Andrea Zabala Carcamo. It was made by my son Arturo while they were driving. They were in Buckingham County.
